

Baltic Seabird Dataset Terms and Conditions

The author of the Seabird Dataset (the “Dataset”) is Jonas Hentati Sundberg, Associate Senior Lecturer at SLU - The Swedish University of Agricultural Sciences (Sveriges Lantbruksuniversitet).

The author of the Dataset retains any moral rights that may exist within the Dataset including the right to be acknowledged. The User shall, therefore, for any scientific work (research projects, publications, presentations, etc.), name and refer to the author of the Dataset.

The Dataset will remain the exclusive property of SLU. SLU’s provision of the Dataset will not constitute an expressed or implied grant to the User of any rights to or under SLU’s patents, copyrights, trade secrets, trademarks, or other intellectual property rights unless and to the extent otherwise expressly set forth herein.

For the sake of clarity, rights granted to the User through this Agreement are entirely non-exclusive and SLU is free to distribute or publish the Dataset or its future versions elsewhere.

If AI Sweden’s license to the Dataset is terminated the User’s license may also be terminated.
